# *Dedication*

. . . in the shadow of his presence

We, the Senior Members of the *Reflector* Staff, would like to dedicate this yearbook to *Mr. Robert Bailey*. He is a highly qualified teacher and a friend to the students. He heads the Mathematics Department and also serves as Senior Class Advisor as well as Student Government Advisor. He is deeply involved with the school and takes a personal interest in all his students. He is highly admired and respected by all the members of the Senior Class. We have all learned a great deal from knowing him and have benefitted greatly from all the help he has willingly given. He has deserved this recognition as our token of appreciation for all he has done for Ferndale Area High School.

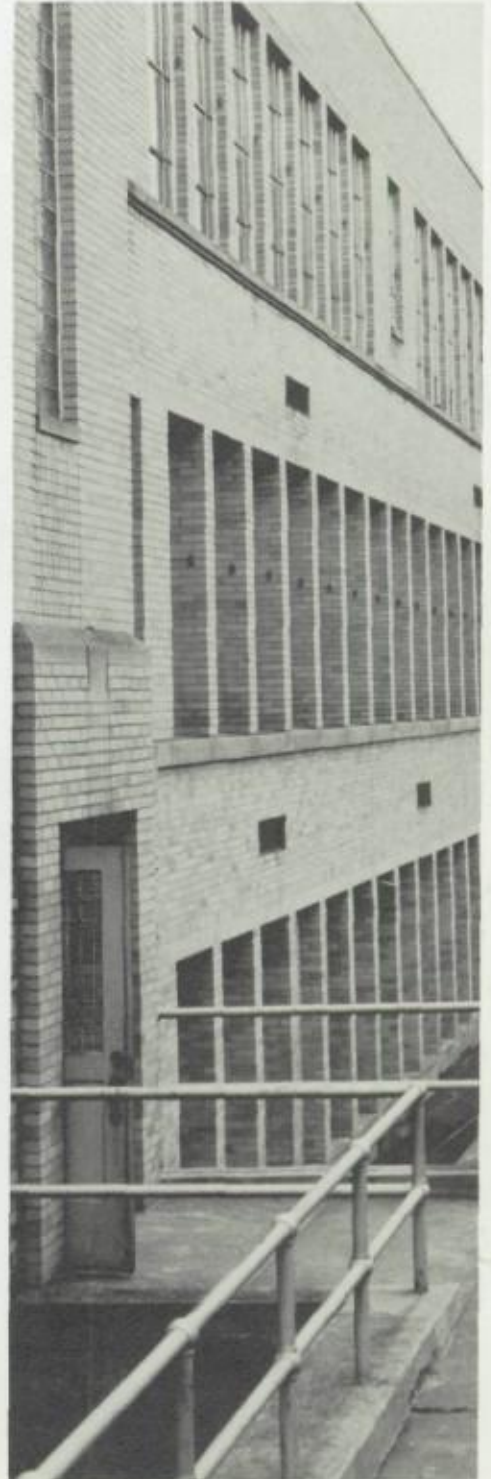

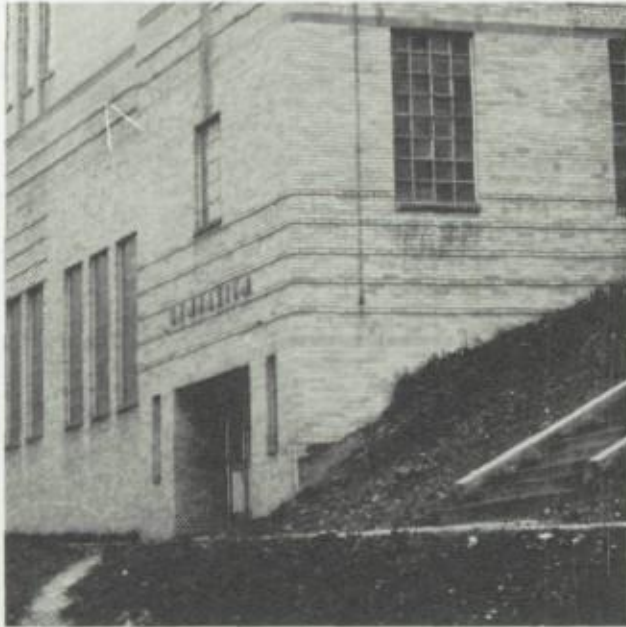

Editor, Ann Warren

## Seniors

*"the shadow of a dream"*

*As one becomes a Senior, he knows he will leave many things behind. The memories of all that he has done and all this has meant to him will be his to cherish forever. But as one goes on further into the year, he catches a glimpse of what the future will hold for him. All that he has accomplished during his high school years has prepared him for his future — his dreams. And as he goes on in pursuit of these dreams, the shadow of the past will always be a happy memory.*

The ideal condition  
would be, I admit, that men should  
be right by instinct;  
But since we are all likley to go astray,  
the reasonable thing is to learn from those
